Dear Ms. King,

Good Day!

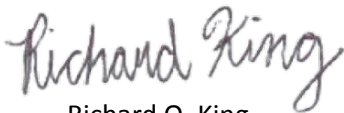

We are BS Information Systems students taking the course ICS2609 – Application Development and we would like to have you as our client in fulfillment of our final project for the course. We would like to present to you our project proposal wherein we will make a website for your business for you to better your productivity and work efficiency. It also aims to provides you with insights and full awareness to the essential of using ecommerce website in this current pandemic situation.

I hope that you will support our project that we wish to accomplish.

Should you have time, we can discuss this further.

Thank you and hoping for your favorable response.

Respectfully,
